

Panther Degree Pathway

Quick start guide

Panther Degree Pathway provides a guided, personalized, optimal pathway to completion for the student. You can customize plans for a student and save them. At any time, Panther Degree Pathway will let you know if the plan is valid.

Return to advisor dashboard to query, view, or select other students

Have program suggest a valid plan based on recent changes

See if the current plan meets degree requirements in real-time

Change from a semester view to a view of remaining courses by requirements

Save the plan – multiple plans can be saved

Return plan to the state it was in at the start of the session

Add courses by terms

View current term schedule in weekly calendar view

Biological Sciences - BS (BIOL:BS)

Panther Degree Pathway

Quick start guide

The advisor dashboard enables you to search for and see assigned students and their progress toward their degrees. You can find students through using the search box or clicking on the Advanced Filtering link to the right of the search box. Results will appear on the left hand side of the screen.

The screenshot shows the FIU Panther Degree Pathway advisor dashboard. The interface includes a search bar with the student ID '0486' and an 'Advanced Filtering' link. Below the search bar, there are sections for 'Information', 'Declarations', 'Academics', 'Credits', 'Details', and 'Activity Log'. The 'Declarations' section shows a table of declared majors and concentrations. The 'Academics' section shows class information and GPA. The 'Credits' section shows a table of completed and in-progress credits. The 'Details' section shows student ID, email, and attributes. The 'Activity Log' section has buttons for 'Generate plan' and 'View timeline'.

Find students by using search box or advanced filtering link to the right of search box

Panther Degree Pathway

Quick start guide

Students use the schedule view to block off time during the weekly schedule, adjust which sections they'd like to register for, and register for classes when the registration window opens. We'll adjust the schedule if any of the planned sections fill up.

Hover over course to delete it, change time or instructor, or move it to a different term.

Search catalog for classes and add them to the schedule

Register for classes or update your registration

The screenshot shows a weekly schedule for SPR 2019. The interface includes a course list on the left, a weekly calendar grid, and a registration control. The course list includes:

- BSC 2010** (11169, Sat Gavassa Becerra) - 3 CR Available
- CLP 4314** (13264, Thomas Pitzer) - 1 CR Available
- MAC 1105** (13206, Jeremiah Hower) - 3 CR Available
- BSC 2010L** (13264, Thomas Pitzer) - 1 CR Available
- POS 2041** (16749, American Government) - 3 CR Available

The calendar shows a blocked time slot from 7 AM to 9 PM on Thursday. A 'Register' button is located at the bottom of the course list.

Click on the times on the calendar you don't want to take classes to block times and we'll plan around them

Define a preference for onsite/online courses and the number of days you'd like to attend
